- LinkedIn : www.linkedin.com/in/zied-mabrouk-6401bb201/

ZIED MABROUK

Computer engineering student

SKILLS

Development

- Web Dev (Html/ Css / Javascript / Php)
- Software Dev (C / C++ / Java / Python)

Multimedia

During my school studies I learned to use Adobe software:

- Photoshop
- Premiere Pro
- Illustrator

PROFESSIONAL EXPERIENCE

Freelance

TCB's WebSite

- I had the opportunity to enhance my skills in web development while creating the official website of the entreprise Trust Company for Building (<https://tcb.tn>)
- Also i'm still taking care of the SEO of the website.

Community life

Rotaract

- I am part of the founding office of the Rotaract Notre Dame Connect club and I have been a member for two years now. Also, I am currently working solo on the club's personal website which will be deployed very soon.

IEEE

- It's my second year in IEEE student branch and I participated to the TSYP congress which brings together the other IEEE clubs and I can only say good things about this enriching experience.

PERSONAL PROJECTS

- **Home Delivery** : Software for home delivery business coded with C++ and the QT graphics library.
- **Emerald** : Front-end & Back-end website allowing the management of a restaurant remotely, managing its daily aspects as the reservations of table, delivery and suppliers.
- **Kingdoms** : Kingdoms: Minecraft Plugin simulating wars between realms taking place in the medieval era coded entirely in java with a MongoDB database.
